Dear Three Mile Pond Resident:

The Three Mile Pond Association (TMPA) is interested in identifying and establishing contact with all property owners on Three Mile Pond for the purpose of communication, fact-finding, and the sharing and voicing of concerns and opinions relating to the pond and its environs. Your input is needed. The best decisions to be made for the good of Three Mile Pond for the present and into the future can only be accomplished if all adjacent owners know the facts and have a voice. In order to accomplish this TMPA needs to be able to identify the owners and have a way to contact them. This works best if there is also a camp road captain to act as direct camp contact for the residents of each road.

Membership Dues:

Standard Member: \$20.00

President's Club Member: \$150 (This year includes a beautiful limited-edition, numbered, wooden, hand carved duck made by our own member, George Gunning.

Any additional donations are greatly appreciated

Checks should be made payable to Three Mile Pond Association and mailed to P.O. Box 2531, Augusta, Maine, 04330.

Please join the Three Mile Pond Association! Thank you for your concern and support.

If you are already an active member of TMPA but need to update the information below, please do so and send that information to TMPA or e-mail Kim Sweetser. Please send this information especially your email address – then we can communicate with you more often.

Name: _____

Permanent Address: Street: _____

City: _____ State: _____ Zip: _____

***E-mail address: _____

Camp Address (Road name only): _____

Camp Location (Town only) : _____

Is there a camp captain/contact on your road? _____

If yes, who is that person? _____

If no, would you be willing to be the camp captain/contact person for your road? _____

(Please call Seth to discuss camp road captain responsibilities.)
